# GRADISCA TAKEN BY ITALIAN ARMY ON WAY TO TRIESTE

Podestagno in Eastern Tyrol Occupied in Drive on Strategic Railroad.

AUSTRIANS LOST 8,000 IN GORIZIA BATTLE

Special Cable Despatch to THE SCH. ROME, June 11 .- It was officiilly announced here to-night that the Italians have entered Gradisca. This town, on the railway connecting Gorizin with Trieste, is regarded as the key to the entire Austrian position behind the Isonso, and it is believed that Gorigia, which is only eight miles by railway from Gradisca, will fall into the hands of the invaders without delay.

ROME, June 11 .- An important adance by the Italian troops on the easten frontier of Tyrol, the capture of Podestagno (Peutelstein), about six miles north of Cortina d'Ampezzo, is announced in the official report from Gen. Cadorna which was issued here this This shows that the Italians in this district have advanced about ten miles into Austrian territory. The drive in this part of the front taken in conjunction with the move-ments northward from Monte Croce and

ecken Pass, is apparently aimed at the railroad from the interior of Austria running west to Franzenfeste, where it joins the road from Innsbrueck m Bruneck, an important town Unofficial reports have been received Plocken Pass, fifteen miles south of the railroad to Franzenfeste, and that

Where Russians Have Checked Austrians

By a surprising rally the Russians, according to the latest reports from Petrograd have driven the Austro-Germans across the Dniester, near Zu-rawno, capturing thousands of prisoners and several guns. The Russians

### RUSSIANS TURN TEUTONS BY SURPRISING RALLY

Victory Near Zurawno Nets Thousands of Prisoners, and May Save Lemberg—Austro-Germans Driven Across the Dniester.

Special Cable Despatch to THE SUN. LONDON, June 11 .- The sweep of the Austro-German armies across Galicia appears to have met with a serious check on the Dniester, where the Rus sians have been reenforced and evidently where it joins the road from this to Trent and southern Tyrol. The have prepared to make a desperate stand to prevent the recapture of Lemberg. It would be too much to say from the available information that the danger of that the Italians have occupied to the Galician capital has been removed, but Petrograd advices indicate that at least the opposition encountered nyaders are now moving through by the Teutonic allies is sufficient to hinder materially further progress in

Zurawno is forty-two miles a southeast of Lemberg and Zydaczew is thirty-two miles from the Galician capther the Petrograd reports of Russian suc-Dniester. Zurawno is forty-two miles

Driven Back Across River.

Strong Austro-German forces had crossed the Dniester near Zurawno. The against repeated attacks in which the Austro-Germans lost 6,600 officers and men and much equipment. The engagement was described in the following official communication issued

by the Russian General Staff to-day: By heroic efforts our troops Thursrepulsed on the right bank of the east of Stryl. On the front from Julakow to Slewki the enemy sustained great losses. After a hard fight we captured seventeen cannon and fortynine machine guns and took prisoners 188 officers and 6,500 men. Among the prisoners is one entire company if Prussian Fusilier Guards.

This battle was preceded by stiff fighting on Tuesday and Wednesday in this same district. Efforts of the Austro-Germans to reach the Dniester near Zidaczew failed with the loss of 2,000 Dniester in the region of Jurawno enemy who had crossed the river was driven back after a stubborn fight before he had been able to deploy successfully. Eight hundred more prisoners were

der, Got Away Before Ves-

Special Cable Despatch to THE SUN. WASHINGTON, June 11 .- The Depart Paris, June 11.—Enormous quantities ment of Justice made public to-day a Steel Company, a \$50,000,000 corporaof war material of every description letter from Collector of Internal Rev- tion with its principal holdings in Johnswere captured by the French in the enue Hamilton at Norfolk announcing town, and the Pennsylvania Steel Comvillage of Neuville Saint Vaast, which they succeeded in taking after a bitter they succeeded in taking after a bitter fight in which every foot of ground was of the interned German converted of the interned German converted controlling a number of minor ratiroad stubbornly contested by the Germans.

To-night's official communiqué, which contains a partial description of the interned German converted controlling a number of minor ratiroad that the officer and seamen have left the lines, are to be merged and reorganized United States. contains a partial description of the material which fell into the hands of the disclosure with regret, realizing that a measure of responsibility for preventing dependents in the field against the French, explains why the Germans

explosives and ammunition in gigantic quantities were discovered by the victrenches surrounding the village. Cases of food, provisions and equipment were also found. The losses in men were probably among the heaviest of any single engagement, for the ground was littered with dead and the French ambulances removed many German

and Ammunition Captured

in the Village.

wounded.
Further progress in the district of Hebuterne is also recorded in to-night's official report. The French advance at that point represents a distance of one kilometer along a front two kilometers

Official Night Report.

The night communiqué said: We have consolidated our positions in front of Neuville St. Vanst. Our inventory of the war material cap-tured is still going on, but we have already removed from the debris three 77 millimeter guns, three mine throw-ing guns, about fifteen mitrailleuses buried under ground and damaged during the fighting, thousands of grenades, 800,000 cartridges, 1,000 rifles, incen-diary machines, 105 millimeter shells, a very large quantity of intrenching tools and many cases of explosives, equipment and provisions.

In the region of the Toutvent farm, to the south of Hebuterne, we have

organized the positions captured yes-terday evening and this morning. At this point we took 150 more prisoners, including a battalion chief, and our ambulances took care of a great num-ber of German wounded. Hundreds of German dead are on the field. We captured three more mitrailleuses and pierced the German lines on a front of more than two kilometers and a

depth of one kilometer.

The enemy delivered a strong counter attack this morning, but was completely repulsed. In the region of the Quennevieres farm, to the east of Tracy-le-Mont, our trenches have been strongly established in immediate contact with the enemy. No counter attack was delivered to-day by the enemy, whose presence was indicated only by his
